# Samson Book/Utility Carts... 3, 6 or Zero Shelves

## Innovative...Saves Time, Money and Space.

**Samson Book, File & Records Management Carts.** The first foldable, two-in-one cart engineered to adapt to the work environment. Flip the doors open, lower the shelves and you have a 3 shelf cart to fit into narrow spaces. Open the second side and you now have 6 shelves to store, display or transport goods. Fold the shelves up and roll into a closet or behind a counter...

**Samson Carts** are only 12-1/2" deep when closed, reducing storage needs. **Samson saves you money through its long life-cycle, "modular" parts, reducing maintenance costs, and even the environment!**

In fact, one Samson Cart in a fifteen year life span would eliminate the need for eighteen plywood carts in the same time period, resulting in the following positive environmental impacts:

SHIPPING CART

### Plywood Environmental Impact:

# of Plywood Carts Reduced:	18
Tons of Plywood Reduced:	1.78
Total CO <sup>2</sup> Footprint Lbs:	8,755
Total Resource CO <sup>2</sup> tonage Reduction Using <b>Samson Carts</b> :	4.38

### Environmental Impacts From Using a Samson Cart Instead of plywood:\*

Wood Saved:	4 Tons
Number of Trees Saved:	25
Total Energy Saved:	6 Million BTUs
Greenhouse Gases Avoided:	4.38 CO <sub>2</sub> Tons
Hazardous Air Pollutants Avoided:	35,553 Tons
Wastewater Saved:	200 Gallons
Solid Waste:	3,436 Lbs.

\*Calculations based on data from the Environmental Defense Paper Calculator.
