

Samson Hi-Density Padded Flat Screen Television & Art Travel Case

Samson Products
2525 N. Elston Ave.
Suite C-200
Chicago, IL 60647

This multi-use soft travel case has a rugged canvas exterior shell and a smooth, 1/2" nylon-covered pad interior. It features one integrated hard-shell side to protect flat screen television screens, delicate framed artwork and art projects.

The case has a main compartment with a 3-sided flap cover, two adjustable padded inserts to adjust for various lengths, and a outside canvas pocket for cables, hardware or supplies. All models include integrated side handles.

Based on the design philosophy of "Reduce, Reuse, Recycle" Samson Products will Reduce wastestream input through Recycling and Reuse of materials. These rugged cases utilize 100% recycled post-consumer material for our outer shell.
